- elastic gradient compression that increases blood and lymphatic flow
- improves performance and expedites recovery
- premium moisture management and comfort using moisture-wicking materials
- sold per pair

TAPE & STRAPPING

Code: 40001

KINESIO TAPE

- 50mm x 5m per uncut roll
- elastic cotton strip with acrylic adhesive
- super strong & elastic - specially designed to provide elasticity, mimicking human skin; reinforced with synthetic fibers cover and expanded elastic core to make it ultra-light, durable and extra-strong.
- provides pain relief - by supporting your aching body part, kinesiology tape is able to provide you with pain relief and muscular support to help control body parts affected by muscle inhibition.
- enhances your performance - enhances your muscle strength via physical assistance and tactile feedback through the skin (e.g. proprioception boost).
- reduces swelling and inflammation - kinesiology provides a passive lift to your skin via its elastic properties.
- vacuum effect allows your lymphatic and venous drainage systems to drain so swollen or bruised tissue heals quicker.
- recover quicker - the passive lift that reduces swelling can also assist in the removal of exercise byproducts like lactic acid that may contribute to post-exercise soreness.
- Colours: Beige / Black / Blue / Lime / Pink / Red / Blue Camo / Pink Camo

Code: 40021

RIGID STRAPPING TAPE

- 13.7m x 38mm per uncut roll
- Rigid strapping tape serves as a crucial element for athletes, teams, or orthopedic therapists
- This premium strapping tape possesses exceptional strength, providing comprehensive support to joints experiencing elevated stress levels
- It is particularly well-suited for high-impact and contact sports, offering effective immobilization or stabilization of joints and securing desired positions
- Constructed from robust, non-elastic hand tearable cotton, the rigid tape features a hypoallergenic adhesive backing
- Colours: White

Code: 40031

PRO RIGID STRAPPING TAPE

- 13.7m x 38mm per uncut roll
- Rigid strapping tape serves as a crucial element for athletes, teams, or orthopedic therapists
- This premium strapping tape possesses exceptional strength, providing comprehensive support to joints experiencing elevated stress levels
- It is particularly well-suited for high-impact and contact sports, offering effective immobilization or stabilization of joints and securing desired positions
- Constructed from robust, non-elastic hand tearable rayon, the rigid tape features a hypoallergenic adhesive backing
- Colours: Tan

TAPE & STRAPPING

Code: 40041

COHESIVE SPORTS WRAP

- 4.5m x 50mm per uncut roll
- Elastic material provides support and conforms to joints requiring reinforcement
- Particularly beneficial for soothing and fortifying aching joints during physical activity
- Application is swift and simple as it adheres exclusively to itself, ensuring it doesn't adhere to hair or skin
- No need for pins or clips due to its non-slip support
- The product is lightweight, breathable, and versatile in its applications
- Its exceptional flexibility ensures optimal comfort, while maintaining its shape and preventing any loosening or shifting
- No need for scissors as it is hand tearable
- Colours: Black / White

Codes: 40051 / 40052

EAB SPORTS TAPE

- 2 sizes:
4.5m x 50mm per uncut roll (code: 40051)
4.5m x 75mm per uncut roll (code: 40052)
- Medalist EAB Sports Tape is an Elastic Adhesive Bandage crafted to provide a secure and professionally conforming fit
- The robust, semi-rigid fabric ensures durability in challenging conditions, while its soft-cotton composition adds an extra layer of comfort
- The dependable adhesive backing assures confidence in its longevity on the field, allowing you to concentrate entirely on your performance
- EAB Tape is a firm favourite across many sports, in particular, rugby. It can be used to fix lifting blocks to the lineout jumper's thighs and protect the head and ears during the scrum
- Colours: White
