MASKS - FULL FACE

Code: 17132

TRITON

- size: L/XL (17132)
- anti-fogging design: fresh air flows in from the top of the mask and through the airway valves
- polycarbonate mask: impact resistant, light and super strong
- expelled air flows in sealed vents up the side of the mask and out again
- advanced design dry top prevents water entering the tube when mask is under water
- non-allergenic silicone skirt: the ultimate in comfort and tight seal to prevent water leakage
- soft adjustable straps holds the mask in place comfortably, preventing unwanted movement
- won't pull on your hair or skin
- purge valve allows easy clearance of any water that does not enter the mask
- high breathable volume with low Co2 retention
- clear vision flat lens
- removable action camera mount

Code: 17140

ANTI-VIRAL ADAPTOR

- adaptor fits to the angled snorkel outlet of all triton full face masks and converts it to a cylindrical 22mm outlet that is compatible with any 22mm filters or hoses as required
- filter not included
